CANDIDATE STATEMENT:

I have had the honor of practicing emergency medicine in Colorado for the past 28 years and previously serving as a member of CO-ACEP board of directors and president. As CMO for CarePoint, I have focused on the legislative agenda items that impact practicing physicians. I am running for the Colorado ACEP board of directors with a focus on legislative activities that are shaping the practice of medicine. In this pandemic CO-ACEP has united emergency physicians across the state. We need to continue our focus on excellent patient care as well as oppose things that negatively impact our ability to care for our patients. As an organization we also need to lead the house of medicine in Colorado, so the next generation of physicians enjoy a meaningful and rewarding practice environment.
